Summary

Results-driven City Planner with 8+ years of experience in urban planning, transportation, and community development. Proven track record of successfully implementing projects that enhance the quality of life for residents, improve traffic flow, and promote sustainable growth.

Experience

Senior City Planner Jan 2018 - Present

New York City Department of Planning New York, NY

Led a team of planners in developing and implementing comprehensive plans, zoning regulations, and transportation projects. Collaborated with stakeholders to identify community needs and priorities, resulting in a 25% increase in community engagement and a 30% reduction in project timelines.

- Developed and managed \$10 million annual budget for planning projects
- Coordinated with city agencies to implement infrastructure improvements, resulting in a 20% reduction in traffic congestion
- Conducted public outreach and engagement efforts, resulting in a 95% approval rating from community stakeholders

City Planner Jun 2015 - Dec 2017

San Francisco Planning Department San Francisco, CA

Worked on a team to develop and implement plans for transit-oriented development, pedestrian-friendly streets, and affordable housing initiatives. Analyzed data and conducted research to inform planning decisions, resulting in a 15% increase in housing affordability and a 10% reduction in greenhouse gas emissions.

- Conducted field observations and data analysis to inform planning recommendations
- Developed and presented reports to city officials and community groups, resulting in a 90% approval rating from stakeholders
- Collaborated with developers to implement inclusive zoning policies, resulting in a 25% increase in affordable housing units
