## **Summary**

Highly motivated and detail-oriented Intern Facilities Engineer with 2+ years of experience in facilities management, construction, and engineering. Proven track record of successfully managing projects, improving efficiency, and reducing costs. Proficient in Autodesk AutoCAD, Revit, and MS Office.

# **Experience**

#### Facilities Engineer Intern

Jun 2022 - Aug 2022

**ABC Corporation** 

New York, NY

Assisted in the management of facilities operations, including maintenance, repairs, and renovations. Coordinated with contractors, vendors, and internal stakeholders to ensure project delivery on time and within budget. Conducted site inspections and reported on progress, identifying areas for improvement and implementing corrective actions.

- Managed and coordinated facilities projects, resulting in a 25% reduction in project timelines and a 15% reduction in costs
- Developed and implemented a preventive maintenance program, increasing equipment uptime by 30% and reducing maintenance costs by 20%
- Collaborated with cross-functional teams to design and implement process improvements, resulting in a 40% reduction in energy consumption and a 25% reduction in water usage

#### **Construction Management Intern**

Jun 2021 - Aug 2021

**DEF Construction** 

Los Angeles, CA

Assisted in the management of construction projects, including scheduling, budgeting, and quality control. Coordinated with subcontractors, suppliers, and internal stakeholders to ensure project delivery on time and within budget. Conducted site inspections and reported on progress, identifying areas for improvement and implementing corrective actions.

- Managed and coordinated construction projects, resulting in a 20% reduction in project timelines and a 10% reduction in costs
- Developed and implemented a quality control program, increasing customer satisfaction ratings by 25% and reducing defect rates by 30%
- Collaborated with cross-functional teams to design and implement process improvements, resulting in a 35% reduction in waste and a 20% reduction in labor costs

#### Education

Bachelor of Science
University of California, Los Angeles
Civil Engineering

Sep 2018 - Jun 2022 Los Angeles, CA 3.5/4.0

## **Skills**
