AWARDS

SUMMARY

Highly skilled and dedicated PICU RN with 5+ years of experience providing high-quality patient care to critically ill pediatric patients. Proven track record of developing and implementing individualized care plans, collaborating with interdisciplinary teams, and mentoring new staff members. Possesses excellent leadership and communication skills, with a strong commitment to delivering exceptional patient care and advancing the field of pediatric nursing.

EXPERIENCE

PICU RN

Children's Hospital Los Angeles • Los Angeles, CA • Jan 2020 - Present

Provided high-quality patient care to critically ill pediatric patients, developed and implemented individualized care plans, and collaborated with interdisciplinary teams to achieve optimal patient outcomes

- Utilized strong assessment skills to identify patient needs and developed individualized care plans, resulting in a 25% reduction in PICU length of stay
- Collaborated with interdisciplinary teams to implement evidence-based practices, resulting in a 30% decrease in hospital-acquired infections
- Mentored new staff members, providing guidance and support to ensure seamless integration into the PICU team, resulting in a 90% retention rate of new hire RNs
- Developed and implemented a quality improvement project, resulting in a 40% reduction in medication errors

PICU RN

Cincinnati Children's Hospital Medical Center • Cincinnati, OH

Jun 2018 - Dec 2019

Delivered high-quality patient care to critically ill pediatric patients, participated in code blue responses, and precepted nursing students to ensure successful completion of clinical rotations

- Provided high-quality patient care to critically ill pediatric patients, resulting in a 95% patient satisfaction rate
- Participated in code blue responses, demonstrating expertise in pediatric advanced life support, and contributed to a 20% increase in successful resuscitations
- Precepted nursing students, providing guidance and support to ensure successful completion of clinical rotations, resulting in a 100% pass rate on NCLEX-RN exams
- Collaborated with the hospital's quality improvement team to develop and implement evidence-based guidelines, resulting in a 25% reduction in PICU readmissions

EDUCATION

Bachelor of Science in Nursing

University of Cincinnati College of Nursing • Cincinnati, OH

Aug 2014 - May 2018

Nursing • 3.8/4.0
