Summary

Highly motivated and detail-oriented UI/UX Intern with 2+ years of experience in designing intuitive and user-centered interfaces. Proficient in a range of design tools, including Figma, Sketch, and Adobe XD. Strong understanding of human-computer interaction principles and user experience design methodologies. Proven track record of delivering high-quality design solutions that drive user engagement and conversion rates.

Experience

UI/UX Intern

DesignLab • New York, NY • Jun 2022 - Aug 2022

Collaborated with cross-functional teams to design and develop user-centered interfaces for mobile and web applications.

- Conducted user research and analyzed user feedback to inform design decisions
- Created wireframes, prototypes, and high-fidelity designs using Figma and Adobe XD
- Developed and maintained design systems and style guides to ensure consistency across products
- Conducted usability testing and A/B testing to optimize design solutions
- Worked closely with developers to ensure design implementation and feasibility

Junior UX Designer

UXStudio • San Francisco, CA • Jan 2022 - May 2022

Designed and developed user interfaces for a range of clients, including startups and enterprise companies.

- Conducted competitor analysis and market research to identify design trends and opportunities
- Created interaction designs, visual designs, and prototypes using Sketch and InVision
- Developed and presented design concepts to clients and stakeholders
- Collaborated with developers to ensure design implementation and feasibility
- Conducted usability testing and feedback sessions to validate design solutions

Education

Bachelor of Science

Stanford University • Stanford, CA • 2020 - 2024

Human-Computer Interaction • 3.8/4.0

Certificates

UX Design Certification

Nielsen Norman Group • 2022

Completed a certification program in UX design, covering topics such as user research, wireframing, and usability testing.

Skills

- Figma • Sketch • Adobe XD
- User Research • Wireframing
- Prototyping • Usability Testing
- Communication • Collaboration
- Problem-Solving

Languages

English • Native

Strengths

Attention to Detail

Highly detail-oriented with a strong focus on delivering high-quality design solutions.

Creativity

Able to think outside the box and come up with innovative design solutions.

Communication

Excellent communication skills, both written and verbal, with the ability to effectively collaborate with cross-functional teams.

Hobbies

Reading design books and articles

Participating in design communities and forums

Awards

Design Award

DesignLab • 2022

Received a design award for outstanding contributions to the field of UX design.
