## SUMMARY

Highly skilled UI/UX Engineer with 5+ years of experience in designing and developing intuitive, user-centered interfaces for web and mobile applications. Proven track record of delivering high-quality products that exceed customer expectations and drive business growth.

## EXPERIENCE

### Senior UI/UX Engineer

#### Google

Led a team of 5 designers and engineers to design and develop a new mobile app for Google Maps, resulting in a 30% increase in user engagement and a 25% increase in customer satisfaction. Collaborated with cross-functional teams to identify and prioritize product requirements, and worked closely with stakeholders to ensure design solutions met business objectives. Designed and developed multiple A/B tests, resulting in a 15% increase in conversion rates.

📅 Jan 2020 - Present 📍 Mountain View, CA

- Led a team of designers and engineers
- Collaborated with cross-functional teams
- Designed and developed A/B tests

### UI/UX Engineer

#### Facebook

Designed and developed multiple features for Facebook's web and mobile platforms, including a new privacy settings interface and a redesigned news feed. Worked closely with product managers and engineers to identify and prioritize product requirements, and collaborated with designers to develop high-fidelity prototypes and design specifications. Conducted user research and usability testing to inform design decisions, resulting in a 20% increase in user satisfaction.

📅 Jun 2018 - Dec 2019 📍 Menlo Park, CA

- Designed and developed features
- Collaborated with product managers and engineers
- Conducted user research and usability testing

## PROJECTS

### Google Maps Mobile App

#### Lead Designer

📅 Jan 2020 - Jun 2020

Designed and developed a new mobile app for Google Maps, featuring a simplified and intuitive interface for users to navigate and discover new places. Collaborated with a team of designers and engineers to develop a cohesive design language and ensure a seamless user experience.

## Certified Scrum Master

📅 Dec 2019    🏢 Scrum Alliance

Completed a certification program in Scrum, demonstrating expertise in Agile methodologies and Scrum framework.

## STRENGTHS

---

### User-centered design

I have a strong passion for designing interfaces that are intuitive, easy to use, and meet the needs of users.

### Design leadership

I have experience leading design teams and mentoring junior designers to help them grow and develop their skills.

### Collaboration

I have a strong ability to work collaboratively with cross-functional teams, including engineers, product managers, and stakeholders.

## AWARDS

---

### Google UX Design Award

📅 Jun 2020    🏢 Google

Received an award for outstanding contributions to UX design at Google, recognizing my work on the Google Maps mobile app.

### Facebook Design Award

📅 Dec 2019    🏢 Facebook

Received an award for outstanding contributions to design at Facebook, recognizing my work on the Facebook privacy settings interface.
