## Summary

Dedicated and compassionate Early Intervention ABA Therapist with 5 years of experience working with children with autism and developmental disabilities, possessing a strong passion for delivering high-quality, individualized care and support to promote optimal development and growth.

## Experience

**ABA Therapist** Jan 2018 - Present  
**ABC Autism Center** New York, NY

Delivered one-on-one ABA therapy sessions to children with autism, developing and implementing individualized treatment plans to achieve client goals and objectives, resulting in a 30% increase in communication skills and a 25% increase in social skills among clients.

- Conducted assessments and evaluations to identify client needs and develop treatment plans
- Implemented ABA therapy techniques, including discrete trial training and natural environment training
- Collected and analyzed data to track client progress and adjust treatment plans as needed

**Behavioral Therapist** Jun 2015 - Dec 2017  
**DEF Behavioral Services** Los Angeles, CA

Provided behavioral therapy services to children with autism and developmental disabilities, working collaboratively with multidisciplinary teams to develop and implement comprehensive treatment plans, resulting in a 40% reduction in problem behaviors among clients.

- Conducted behavioral assessments and developed treatment plans to address client needs
- Implemented behavioral techniques, including positive reinforcement and token economies
- Communicated with clients, families, and caregivers to provide support and education

## Education

**Bachelor of Arts** Sep 2010 - Jun 2014  
**University of California, Los Angeles** Los Angeles, CA  
**Psychology** 3.5/4.0

## Certificates

**Board Certified Assistant Behavior Analyst (BCaBA)** Jan 2016  
**Behavior Analyst Certification Board**

Certified as a Board Certified Assistant Behavior Analyst, demonstrating expertise in applied behavior analysis and commitment to providing high-quality services to individuals with autism and developmental disabilities.

**Autism Specialist Certification** Jun 2018  
**International Board of Credentialing and Continuing Education Standards**

Earned certification as an Autism Specialist, highlighting knowledge and skills in working with individuals with autism and providing specialized support and services.
