EXPERIENCE

Senior City Planner

Jan 2018 - Present

New York City Department of City Planning

New York, NY

Senior City Planner responsible for developing and implementing comprehensive urban planning strategies

- Developed and implemented comprehensive urban planning strategies, resulting in a 25% increase in affordable housing units and a 30% reduction in traffic congestion
- Managed a team of 5 planning professionals, providing mentorship and guidance on project development, community outreach, and stakeholder engagement
- Collaborated with city agencies, stakeholders, and community groups to design and implement large-scale infrastructure projects, including a \$1.2 billion transportation hub and a 500-acre park renovation
- Conducted extensive data analysis using GIS mapping and statistical software to inform planning decisions, resulting in a 20% increase in bike lane usage and a 15% decrease in crime rates

City Planner

Jun 2013 - Dec 2017

Los Angeles Department of City Planning

Los Angeles, CA

City Planner responsible for coordinating with city officials, developers, and community groups to develop and implement zoning regulations

- Coordinated with city officials, developers, and community groups to develop and implement zoning regulations, resulting in a 40% increase in mixed-use developments and a 25% increase in small business growth
- Developed and managed a \$10 million budget for urban planning initiatives, ensuring timely and within-budget project delivery
- Conducted community outreach and engagement efforts, resulting in a 90% increase in public participation and a 25% increase in community satisfaction with city planning services
