## EXPERIENCE

### Senior Project Manager City Planner

Jan 2018 - Present

ABC Urban Planning

New York City, USA

Leading cross-functional teams to deliver large-scale urban planning projects, with a focus on sustainable development, community engagement, and innovative design. Key accomplishments include:

- Developed and managed project plans, budgets, and schedules for multiple high-profile projects, resulting in 95% on-time delivery and 90% client satisfaction
- Coordinated with stakeholders, including government agencies, community groups, and private developers, to ensure project alignment with urban planning goals and objectives
- Conducted site analyses, feasibility studies, and environmental impact assessments to inform project design and development
- Managed and mentored junior team members, providing training and guidance on project management, urban planning principles, and industry best practices
- Collaborated with multidisciplinary teams, including architects, engineers, and landscape architects, to deliver comprehensive and innovative project designs

### Project Manager City Planner

Jun 2015 - Dec 2017

XYZ Planning Consultants

Los Angeles, USA

Managed medium- to large-scale urban planning projects, with a focus on community development, transportation planning, and environmental sustainability. Key accomplishments include:

- Developed and implemented project management plans, resulting in 85% on-time delivery and 80% client satisfaction
- Conducted community outreach and engagement efforts, including public meetings, surveys, and focus groups, to gather input and feedback on project design and development
- Analyzed and interpreted data on population growth, transportation patterns, and environmental trends to inform project planning and decision-making
- Coordinated with government agencies, including city councils and planning departments, to ensure project compliance with regulatory requirements and urban planning standards
- Assisted in the development of marketing materials, including proposals, reports, and presentations, to promote company services and secure new business opportunities
