SUMMARY

Highly motivated and detail-oriented UI/UX Design Intern with a strong passion for creating user-centered and intuitive designs. Proficient in a range of design tools, including Sketch, Figma, and Adobe Creative Suite. Skilled in conducting user research, creating wireframes and prototypes, and testing designs to ensure a seamless user experience.

EXPERIENCE

UI/UX Design Intern

Jun 2022 - Aug 2022

DesignLab

New York, NY

Assisted in the design of a mobile app for a leading fitness company, resulting in a 25% increase in user engagement and a 15% increase in sales.

- Conducted user research to identify design opportunities and developed user personas
- Created wireframes and prototypes using Sketch and Figma
- Collaborated with the design team to refine the design and ensure a consistent brand image
- Tested designs with users and made data-driven design decisions
- Presented design concepts to the client and stakeholders

Junior UX Designer

Jan 2022 - May 2022

UX Studio

San Francisco, CA

Worked on a team to design and develop a website for a non-profit organization, resulting in a 30% increase in donations and a 20% increase in volunteer sign-ups.

- Conducted heuristic evaluations and usability testing to identify design issues
- Developed and implemented a design system using Adobe Creative Suite
- Collaborated with the development team to ensure design specifications were met
- Created design documentation and style guides
- Presented design concepts to the client and stakeholders

EDUCATION

Bachelor of Science

Aug 2018 - May 2022

University of California, Berkeley

Berkeley, CA

Computer Science

3.5

PROJECTS

Personal Finance App

Mar 2022 - May 2022

Solo Project

Designed and developed a mobile app for personal finance management, featuring budgeting, expense tracking, and investment tracking.

React Native • JavaScript • CSS
