SUMMARY

Results-driven Senior Associate Pastor with 8+ years of experience in administration, seeking to leverage my expertise in strategic planning, team leadership, and community development to drive growth and excellence in a dynamic pastoral setting.

SKILLS

Strategic Planning • Team Leadership • Community Development • Budgeting and Financial Management • Pastoral Care and Counseling
Event Planning and Execution • Database Management • Communication and Public Speaking

EXPERIENCE

Senior Associate Pastor - Administration

First Baptist Church • New York, NY • Jan 2018 - Present

Provided administrative oversight and strategic leadership to a team of 10 staff members, resulting in a 25% increase in church attendance and a 30% growth in community outreach programs.

- Developed and implemented a comprehensive administrative strategy, aligning with the church's mission and vision
- Collaborated with the Senior Pastor to establish and achieve annual goals, objectives, and metrics
- Oversaw the management of a \$1.2 million annual budget, ensuring effective stewardship and resource allocation
- Fostered a culture of excellence, providing coaching, mentorship, and performance evaluations to staff members
- Spearheaded the development and implementation of a church-wide database management system, resulting in a 40% reduction in administrative tasks

Associate Pastor - Administration

Trinity Church • Chicago, IL • Jun 2015 - Dec 2017

Assisted in the administration of a 500-member church, providing support in areas such as finance, human resources, and facilities management.

- Assisted in the development and management of the church's annual budget, resulting in a 15% reduction in expenses
- Coordinated and executed large-scale events, including conferences, concerts, and community outreach programs
- Provided pastoral care and support to church members, including counseling, visitation, and prayer ministry
- Collaborated with the Senior Pastor to establish and implement a comprehensive discipleship program, resulting in a 20% increase in small group participation
