SUMMARY

Ambitious and detail-oriented Junior Technical Project Manager with 2+ years of experience in managing technical projects, leading cross-functional teams, and driving business growth through effective project planning, execution, and monitoring. Proven track record of delivering projects on time, within budget, and with high customer satisfaction rates.

EXPERIENCE

Junior Technical Project Manager

TechCorp

Manage technical projects from initiation to closure, ensuring timely and within-budget delivery. Collaborate with cross-functional teams to identify and mitigate project risks, and develop and implement project plans, resource allocation, and scheduling. Analyze project metrics and develop data-driven insights to inform project decisions and optimize project performance.

Jan 2022 - Present

New York, USA

- Managed 5+ technical projects simultaneously, with a combined budget of \$1M+, and delivered 95% of projects on time and within budget.
- Led a team of 10+ members, providing guidance, mentorship, and performance feedback to ensure high-quality project delivery and team growth.
- Developed and implemented project management processes and standards, resulting in a 25% reduction in project delivery time and a 30% increase in customer satisfaction.

Project Coordinator

StartUp Inc.

Coordinated project activities, managed project schedules, and tracked project progress. Assisted in project planning, risk management, and quality assurance. Collaborated with project stakeholders to identify and address project issues and concerns.

Jun 2020 - Dec 2021

San Francisco, USA

- Coordinated 10+ projects simultaneously, with a combined budget of \$500K+, and ensured 90% of projects were delivered on time and within budget.
- Developed and maintained project documentation, including project plans, schedules, and status reports.
- Assisted in project risk management, identifying and mitigating potential project risks and issues.
