Summary

Dedicated and compassionate Charge Nurse (RN) with 1-3 years of experience in providing high-quality patient care. Proven leader with a strong track record of improving patient outcomes and satisfaction scores. Seeking a challenging role that utilizes my skills and experience to make a positive impact on patient care.

Experience

Charge Nurse (RN) Jan 2022 - Present
Mercy Hospital Los Angeles, CA

Led a team of 5 registered nurses in providing high-quality patient care, resulting in a 25% reduction in patient complaints and a 30% increase in patient satisfaction scores

- Coordinated patient care activities, including admissions, discharges, and transfers
- Developed and implemented individualized patient care plans, resulting in a 20% decrease in hospital readmissions
- Conducted regular team meetings to discuss patient care, staffing, and operational issues, resulting in a 15% increase in team productivity

Registered Nurse (RN) Jun 2020 - Dec 2021
St. Michael's Hospital New York, NY

Provided direct patient care to a diverse population, including medical, surgical, and critical care patients

- Assessed patient needs, developed and implemented individualized care plans, and evaluated patient outcomes
- Administered medications, performed treatments, and assisted with procedures, resulting in a 95% medication administration accuracy rate
- Collaborated with interdisciplinary teams to coordinate patient care and achieve optimal outcomes
